**Missouri Works Program** — The program helps business access capital through withholdings or tax credits to embark on facility expansions and create jobs. This program can also help businesses purchase equipment.

**Chapter 100 Tax Abatement** — Provides a sales tax exemption on tangible personal property purchased through Chapter 100 bonds for non-manufacturing purchases. Companies eligible for Chapter 100 bond financing include manufacturing, warehousing, distribution, office, research and development, agricultural processing and services in interstate commerce.

**Chapter 353 Tax Abatement** — Tax abatement is available to for-profit “urban redevelopment corporations” organized pursuant to the Urban Redevelopment Corporation Law. Tax abatement under the Urban Redevelopment Corporations Law is extended to real property that has been found to be a “blighted area” by the city.

**Missouri Works Training** — The program helps business with a wide range of recruitment and training resources through a single access point. <https://openforbiz.mo.gov>
